

A program of the California Coalition of
Agencies Serving the Deaf and Hard of
Hearing, Inc.

Providing links to services, programs, information, and parent-to-parent support.

For families with infants (0-3 years) who have a hearing loss.

Support ♥ Shared Experiences ♥ Information Exchange
Empowerment ♥ Friendship

Parent Links believes that parents raising infants who are deaf or hard of hearing aspire to become knowledgeable about hearing loss, to advocate for the rights of their children, and to make informed decisions.

Parent Links is a statewide network of parents supporting families of children who have a hearing loss with links to:

Parent support ♥ Fact Sheets ♥ Workshops and trainings
Information on local, state, and national resources for families
Healthcare programs/Clinics ♥ Education for baby and family

We are parents who have experienced the feelings that come after learning that our children cannot hear. We know that finding information and support can be overwhelming. You are NOT alone!
